

We Serve

Lake Travis Lions Club Minutes for Tuesday, July 19, 2022 Submitted by Lion Anna Rowlan

Members In Attendance: Lion Matt Mintz, Lion Anna Rowlan and Lion Linda Davis

Newly Elected VP Lion Matt called the Meeting to Order at 6:30. There was no Agenda available. Lion Matt lead us in the Pledge of Allegiance and Pledge to the Texas Flag.

Guests: Ginger Williford was a Guest and potential member. She is currently a recipient of our Mobile Meals program as her husband Andy is in Stage 5 Cancer. She expressed her gratitude for the program and would consider joining but perhaps after the her husband does not require so much care and attention. Ginger was in Education for 42 years; 4 years of those in Lakeway. Our prayers are with their Family.

Secretary Report: Newly elected Secretary Lion Sheryl was not present. There we no Minutes available from the last Meeting. Lion Anna pointed out that Minutes are not being posted on our Website and thus have not been available for the entire Membership. The only Minutes posted on our website are **September and November of 2021 and January 2022.**

Treasurer Report: Lion Carey Lemond was unable to attend but sent in a Treasurer Report. It was read by Lion Matt. Lion Anna made a Motion to accept, Lion Linda seconded. Motion to accept passed.

Membership Report: Newly elected Membership Chair Lion Seth was not present. No Report.

Eyeglass Collection: It is not known who is in charge of the LT Lions Club collection boxes or where they are located. No Report.

Projects:

Dog Walk: No one is named Chair yet. But Lion Linda said it will take place on Saturday, Oct.29th at the same place as always-Lakeway City Park and that the 1st meeting will be in August. Lion Linda was unable to provide the names of the Committee Members that are making all these decisions.

Senior Spelling Bee: Lion Linda said that Lion Corinne has always been in charge of this, but she is not here today.

Track Meets: Lion Seth not here.

Bingo: No one is named Chair. Was discussed that should not be held too close to Dog Walk. Mid November, 11th or 18th? But that would be only a couple of weeks after Dog Walk. Lion Anna will check with Emmaus Church to find out when the Knights of Columbus has their Bingo so we do not compete. Lion Linda will check with the Lakeway Police Association to see when their Bingo is so we do not compete with them either.

Int'l Peace Poster Contest: Lion Anna is Chair. She has spoken with the LTISD and they will partner with us again this year. But they did want to remind us that due to the temperature of Child Endangerment in our Society at this time (school shootings, etc) that we follow their strict School Policy by submitting ALL literature, etc. to the LTISD Administration and not directly to the schools unless previous arrangements have been made & approved.

Youth Opportunities Contests: Lion Anna is Chair. The LTISD wants to partner with us on these 3 Contests (finally). But we are waiting for our District 2s3 to provide with the new 2022-2023 State Chairs, Themes & Rules.

New Business: Lion Linda said that the Lakeway City Parks & Rec have contacted her. All the AEDs need to be replaced and she felt we should pay. But because they are \$2,000 each, Lion Matt suggested that we perhaps replace only one. It will be brought up to the Club Membership at another time.

Lion Anna brought up that it is of great concern to District 2s3 that the Lake Travis Lions Club is the only club in the District where almost none of the Officers have ever taken the Officer Training in the last 10yrs. Note: Lion Anna has taken several Training Sessions every year. Lion Linda asked if Lion Anna could come in early on a Meeting day and show how to access MyLCI for Training & Service Reporting. Lion Anna said she would do so whenever it was requested.

Lion Anna made a Motion to Adjourn. Lion Linda seconded. Lion Matt adjourned the Meeting.
