Membership: Lion Seth said he and Linda will devise an approach with non-Lion Mobile Meals volunteers asking them to help us by referring some service-minded friends/acquaintances who might help with Mobile Meals or other projects. He feels these will be "warm" referrals, some of who might be interested in Lionism.

Service Projects:

Mobile meals- Lion Linda reported that we are averaging about 16 recipients, so there is room for 5 more and to be on the lookout. Still needing an additional 4 new providers and 8 volunteers so we can expand back to 5 days service.

Youth programs: Lion Carey asked that Seth order Peace Poster materials.

Fundraising Projects:

BINGO: Lion Linda reported that Police Auxiliary has a bingo on 9-23, so we should not plan anything in September. Perhaps wait until November or December

Dog Walk- Lion Seth presented past sponsor letter to membership to review and make corrections. He and Lion Seth will distribute these (personalized) to last year's sponsors. He asks that all other members try and recruit 2-3 new sponsors. He will have that letter and flyer ready by end of the month for distribution. Discussion that we move from shirts to a nice tote bag this year. To be reviewed. Also discussion to designate nurses dues and purchase of AED's for some Lakeway city buildings as recipients of net.
